[End Agenda memo]

Jennifer Nanek, City Clerk, read **ORDINANCE 2020-15** by title only.

ORDINANCE 2020-15

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF LAKE WALES, FLORIDA, RELATING TO PUBLIC HEALTH; REQUIRING PERSONS THAT LIVE, WORK, VISIT OR DO BUSINESS IN THE CITY OF

LAKE WALES, FLORIDA, TO WEAR FACE COVERINGS IN CERTAIN PUBLIC PLACES TO STOP OR SLOW THE SPREAD OF NOVEL CORONAVIRUS DISEASE 2019 (COVID-19); PROVIDING FOR EXCEPTIONS; ESTABLISHING ENFORCEMENT AND PENALTY PROVISIONS FOR VIOLATIONS; MAKING FINDINGS; PROVIDING AN EFFECTIVE DATE.

James Slaton, Interim City Manager, reviewed this item and said it is unchanged from the version approved at first reading.

Deputy Mayor Robin Gibson proposed changes to reduce the burden on the business owner to enforce this. Businesses should put signs up and the City take the heat. He recommended following CDC guidelines. Their vote is reflective of the community.

Albert Galloway, Jr., City Attorney said the proposed changes do not change the title and so it doesn't need to go back for first reading. The Commission can pass the Ordinance as is or with the changes.

Mayor Fultz said he was in favor of the revisions.

Commissioner Curtis Gibson said he is in favor of wearing masks. He supported the earlier resolution concerning masks. He did not like the original version presented as it was a copy from Hillsborough County which is not appropriate for us. He said he agreed with some of the changes made. He said that many people and businesses are following the guidelines concerning masks. In Lakeland that has a mandate very few were wearing masks. He said he will not vote for this as it does not have a 30 day limit.

Commissioner Goldstein said he opposes this ordinance regardless of whether the changes are included or not. The resolution previously passed is working fine. This is a violation of civil rights.

Commissioner Howell said she liked the proposed changes to make it easier for businesses. She asked Mr. Galloway how long it would take to rescind it. Mr. Galloway said it would take two readings or two weeks. Deputy Mayor Robin Gibson asked Mr. Slaton to remind them about this every 30 days to see if they want to start the process to rescind this. Mr. Slaton said he could do this.

Commissioner Howell asked if we are voting this as an Emergency Ordinance or the current Ordinance with the revision. Mayor Fultz said the current one as is. Mr. Galloway said to do an Emergency Ordinance it would have to be at the next meeting. This one is a regular ordinance. Commissioner Howell wanted to be sure that it will take two weeks to remove this. She then reviewed the provisions of the Ordinance. We do not want people from other cities to come here and infect our people. She has seen where people are congregating and not social distancing.

Deputy Mayor Robin Gibson made a motion to adopt **ORDINANCE 2020-15** as amended after second reading and Public Hearing. Commissioner Howell seconded the motion.

OPENED PUBLIC HEARING

Jimmy Nelson, resident and business owner, said he is a former City Commissioner. He said the current mask resolution is fine and is working. We do not need more government regulation. People and businesses are already complying with the need for masks. He recommended that this Ordinance fails.

Bill Young, resident, said he doesn't like looking at people wearing masks. He doesn't want people to get sick. He doesn't like living like this.

Erica Runkle, non-resident and property owner, said her business has already been negatively affected by COVID19 after being closed 5 weeks. This ordinance will negatively affect her business.

David Jones, resident, spoke in favor of the Ordinance to protect our loved ones. We need to take more precautions to stop the spread.

Crystal Brewer-Higbee, resident and CEO of Circle of Friends ministry, spoke against masks. We don't need to be told how to protect ourselves. We can use common sense.

Renee Montgomery, resident, spoke against the ordinance and said the masks will not protect against COVID19.

Joseph Richardson, non-resident, recommended including a numerical goal when the mask ordinance takes effect and when it is not in effect.

another speaker was indiscernible

CLOSED PUBLIC COMMENT.

Commissioner Goldstein said our current resolution is working. We do not need a mandate and the police don't need to enforce this. Our merchants will be affected by this. They will lose business because of this.

Roll Call Vote:

Deputy Mayor Robin Gibson "YES"

Commissioner Howell "YES"

Commissioner Curtis Gibson "NO"

Commissioner Goldstein "NO"

Mayor Fultz "YES"

Motion passed 3-2.

RESOLUTION 2020-27

A RESOLUTION OF THE CITY OF LAKE WALES, POLK COUNTY, FLORIDA, ADOPTING A POLICY REGARDING INVOCATIONS AT MEETINGS OF THE CITY COMMISSION OF THE CITY OF LAKE WALES; PROVIDING AN EFFECTIVE DATE

Albert Galloway, Jr., City Attorney, shared an email from the Freedom from Religion Foundation stating that they are watching us. He is not confident about having the Commissioners give the invocation. The rotating list would be more prudent. Mayor Fultz said he saw that email and asked if the Commission wanted to move forward or change direction.

Commissioner Howell asked if what we are doing is within the law. Mr. Galloway said that there are many cases about this. In his opinion the rotation list is more prudent.

Commissioner Goldstein said he is in favor of the Resolution but maybe a moment silence might be better to avoid litigation. Commissioner Goldstein made a motion to go to a moment of silence.

Mayor Fultz asked for action on the current resolution first.

Commissioner Howell made a motion to adopt **RESOLUTION 2020-27**.

Commissioner Curtis Gibson asked Mr. Galloway if the current resolution is defensible. Mr. Galloway said its defensible but there is case law out there that could be against it.

Deputy Mayor Robin Gibson said he wasn't scared of the possibility of litigation. We have three options before them, the current Resolution, a rotating list and a moment of silence. He would like to think these things through. He would like to recommend tabling this.

Commissioner Howell rescinded her motion.

Deputy Mayor Robin Gibson made a motion to table **RESOLUTION 2020-27**. Commissioner Howell seconded the motion.

by Roll Call Vote:

Deputy Mayor Robin Gibson "YES"

[Begin Agenda Memo]

SYNOPSIS:

The City Commission will consider adoption of Resolution 2020-28, The Polk County Multi-jurisdictional Local Mitigation Strategy.

RECOMMENDATION

It is recommended that the City Commission adopt Resolution 2020-28

BACKGROUND

The Polk County Local Mitigation Strategy is a multi-jurisdictional plan that must be updated and adopted by all local governments every 5 years. The City of Lake Wales last adopted a similar resolution in 2015. The Disaster Mitigation Act of 2000 requires that such document exists in order for local governments to apply for Hazard Mitigation Grants and Pre-Disaster Mitigation Grants. The purpose of the Local Mitigation Strategy is to develop an ongoing strategy for reducing a community's vulnerability to identified natural, technological and human-caused hazards. All jurisdictions covered by this plan must actively participate in the creation of the document.

9.III. ORDINANCE 2020-17 Pay Plan

SYNOPSIS:

The City Commission will consider amending Sections 2-233 and 2-234 of the City Code relating to employee pay and classification.

RECOMMENDATION

It is recommended that the City Commission take the following action(s):

1. Approve Ordinance 2020-17 upon first reading.

BACKGROUND

The City adopted a pay and classification plan in 1994 to govern the compensation of employees. Staff is requesting the Commission to amend Sections 2-233 and 2-234 of the City Code to remove any ambiguity that exists. The pay and classification schedule has been provided to the Commission each year as part of the City's annual budget to meet the requirements of Sections 2-233 and 2-234 of City Code.

Based on the current Code, the City Manager is authorized to approve pay adjustments for employees where such adjustments fall within the approved salary ranges in the pay and classification plan. As prescribed in the City's Charter, the City Commission is responsible for creating City departments. The City Manager is responsible for administration of the departments, for making personnel decisions, and for establishing employee salaries.

The intent of this amendment is to ensure straightforward compliance with City Code and to provide a concise policy based on a guidance from the City Commission.

ORDINANCE 2020-17

**AN ORDINANCE AMENDING CHAPTER 2, ADMINISTRATION, LAKE WALES CODE OF ORDINANCES;
AMENDING THE ESTABLISHMENT OF THE PAY AND CLASSIFICATION TO THE PAY AND CLASSIFICATION PLAN; PROVIDING FOR SEVERABILITY; PROVIDING FOR AN EFFECTIVE DATE.**

Commissioner Curtis Gibson asked if the City Manager will have to come before the Commission to explain changes in salaries. James Slaton, Interim City Manager, said no and we haven't been doing this. Commissioner Curtis Gibson said changes to the ranges should come before the Commission as stated in the Ordinance. This needs to be followed. Mr. Slaton said this streamlines things. The pay classification schedule is approved along with the budget and has been since 1994. The Charter is clear that the City Manager sets salaries.

Deputy Mayor Robin Gibson said the Ordinance has not been complied with. The Commission should not be involved in salaries. The ranges are included in the budget and then the Commission can ask the City Manager to justify the ranges. With that information they judge the City Manager. This is a change we should make.

Commissioner Howell expressed concern about a City Manager changing salaries after budget is approved. Deputy Mayor Robin Gibson said if that happens we evaluate the City Manager accordingly. This Ordinance just addresses setting the ranges.

Commissioner Curtis Gibson said the Ordinances need to be followed. We want to be sure the City Manager follows what is written. We do need to be competitive with our salaries. The Commission does approve salaries in the budget.

Deputy Mayor Robin Gibson made a motion to approve **ORDINANCE 2020-17** after first reading. Commissioner Goldstein seconded the motion.

By Roll Call vote:

Deputy Mayor Robin Gibson "YES"

Commissioner Goldstein "YES"

Commissioner Howell "YES"

Commissioner Curtis Gibson "NO"

Mayor Fultz "YES"
