Robbie Shields, Vice Chair, called the meeting to order.

2. Communications And Petitions

3. Minutes

The minutes of November 16, 2020 were reviewed but could not be approved due to a lack of a quorum.

4. COVID-19 Update

Stephanie Edwards reported that we are pretty much back to normal. Everything is open including the gym and in use. Groups are still being asked to submit a plan for social distancing. Robbie Shields asked if Fraiser Field is in use. Ms. Edwards said yes that travel teams are starting up. Deborah Waldrip said she is glad that pickleball is back playing in the gym.

5. Lake Wales Connector Trail Updates

Ms. Edwards said we have 60% designs and we will have 90% in February. There will be a detailed presentation of these at the January Meeting.

6. Parks And Recreation Updates

Stephanie Edwards said they are slowly rolling out Civic Rec for use by groups. There are a few hiccups that need to be worked out before its available to the general public.

Ms. Edwards said that on January 8 there will be staff Recreation Open house in the Commission Chambers from 11am - 1pm. This is an effort to spotlight different departments and what they do.

7. Recreation Master Plan

S&ME is working on the Recreation Master Plan. We have a draft feasibility analysis that with some changes will be presented to the Commission. S&ME will use this as they do the master plan. There will be public meetings to provide input in January.

8. ADJOURNMENT

The meeting was adjourned. Next meeting is January 25, 2021.
